

Referrals from EPIC to Residency Clinic at Chappaqua Crossing

Upon discharge order placed for **Ambulatory Referral to Adult Primary Care**

“To Department” search **NWH INTERNAL MEDICINE at 480 Bedford Rd**

“Accept” Referral will then be directed to workqueue for office to reach out and schedule

A screenshot of the EPIC software interface for an 'Ambulatory referral to Adult Primary Care'. The form has a title bar with 'Accept' and 'Cancel' buttons. The 'Class' section has three tabs: 'Incoming Referral', 'Internal Referral', and '(External) Non-Northwell Referral'. The 'Referral' section has a checkbox for 'Override Restrictions'. Below this, there are three dropdown menus: 'To Department Specialty' (set to 'Internal Medicine'), 'To Department' (set to 'NWH INTERNAL MEDIC...'), and 'To Provider Specialty'. There is also a 'Provider' dropdown menu. The 'What is the reason for visit?' section has three tabs: 'General Internal Medicine', 'Cancer Survivorship', and 'Weight Management'. Below this, there is a checkbox for 'Please select yes if this referral should be sent to the Katz Women's Institute' which is checked. The 'Comments' section has a text area with a toolbar and a '100%' zoom level. The 'Priority' section has two tabs: 'Routine' and 'STAT'. At the bottom, there is a 'Next Required' button and 'Accept' and 'Cancel' buttons.

Reminder: please ensure patient is aware appointment is at Chappaqua Crossing
